

Dance it Up! Summer Specials

Since our Summer Specials will be sampling a variety of different styles, please refer to this chart for the appropriate attire. Any color leotard and tights is okay as there will be multiple levels in each class. Optional leggings, dance shorts, or a ballet skirt are also allowed. If your dancer doesn't have the proper shoes for a particular day, don't stress! This is a time to try things out. Hard soled and clean street shoes work well for tap. Ballet shoes or jazz shoes are good for all other styles.
